Post Biopsy Instructions

1. Only limited activity today.
2. Finish antibiotics as directed by your doctor.
3. Expect blood in urine and / or stool for several days.
4. No sex for seven (7) days. When you resume sex, you may see blood in the semen for a few months.
5. If you experience chills and temperature greater than 101 degrees, call our office.
6. Make a follow up appointment with your doctor in about two weeks for results of your biopsy.
